The Notting Hill Carnival has been taking place in London, on the last weekend in August, every year since 1964. This great festival was started by a woman named Claudia Jones from Trinidad in the Caribbean. Black people from the Caribbean especially from Trinidad, where the Carnival tradition is very strong, and from people living locally who dreamed of creating a festival to bring together the people of Notting Hill.

The disciplines that go to make up the carnival as we know it today are Mas' (masquerade), Steelband, Calypso (political, social and satirical commentary, set to music), Soca (the traditional music of Carnival, a fusion of Soul and Calypso), Static Sound Systems, and Samba all play their part in the Carnival.

The costumes and masks worn by the revellers capture the spirit and colour of the great event.
